

## Land Surveyors Association of Washington Foundation SCHOLARSHIP INSTRUCTIONS

LSAW Foundation Scholarships will be awarded to full time students who are or will be enrolled in a four-year Surveying degree program, or, a two-year Survey Technician program.

The Scholarship Committee will make selections based upon the information contained on the **COMPLETED** application and transcripts, as well as, the essay responses and recommendations. All of the information in your application will be considered.

### **INSTRUCTIONS FOR COMPLETING AN APPLICATION:**

Application is to be completed by the applicant. Please type or print. Appearance and completeness of information provided will be considered. **Applications postmarked/transmitted after July 1, 2010, or INCOMPLETE APPLICATIONS, WILL NOT BE CONSIDERED.**

Applicants will be notified by mail by August 15, 2010. Scholarships will be awarded to recipients upon receipt by the LSAW Foundation of a copy of student's class registration AND social security number (required for IRS purposes).

#### **Section 1 APPLICATION FORM**

Please include your name, date, telephone number, address (college and home), age, marital status, number of dependents, name of school, major and the year/ semester in which you will enroll.

#### **Section 2 EDUCATION HISTORY**

List schools, what year you attended and if you received any degree. **Include copies of transcripts from any school, college or university that you are attending or have attended.** . Include an official list of classes in the surveying program curriculum of the college in which you are intending to enroll.

#### **Section 3 EMPLOYMENT HISTORY**

List the names of current and past employers, their address, type of business, and the position you held. Be sure to include any experience you have had in surveying.

#### **Section 4 FINANCIAL RESOURCES**

Complete the specific requested items.

#### **Section 5 ESSAY RESPONSE**

Describe any other factors that might affect your personal or financial situation. Tell us what you plan to do in the future, and, if you plan to practice or work in Washington State in the surveying field after you graduate. Please limit your response to one page.

#### **Section 6 RECOMMENDATIONS (ATTACH THREE LETTERS OF RECOMMENDATION)**

Recommendations should be from instructors, LSAW sponsors and/or employers.

Recommendations from friends and relatives will be disregarded.

#### **Section 7 PERSONAL INVOLVEMENT**

Please tell us about your other activities, such as community involvement, etc. Please limit your response to one page.

**COMPLETE** applications are to be sent to:

Vicky Thalacker, Scholarship Chairperson  
LSAW Foundation  
41 Griffin View Lane  
Friday Harbor, WA 98250
